

Faculty Fellows Application

Center for Teaching Excellence

Application Form (Spring 2007)

Name	Academic Rank	Department / Division
<p>1. Briefly explain the proposed project that you would complete as a Faculty Fellow. Identify undergraduate or graduate course, course title and number, and number of students per year.</p>		
<p>2. How would this project impact students' learning? Please be explicit about how you would know how well your work has the desired impact.</p>		
<p>3. Please describe previous work you have undertaken to achieve a teaching goal in one of your classes. How do you now think about the results of that work? Did you achieve your goal(s)? What did you learn from the work you did?</p>		

4. What resources, ideas, or experiences would you hope to gain by working with CTE and faculty colleagues in achieving your goals?

5. Write below a 3–4 sentence summary of your Faculty Fellows application.

Additional information to support your application:

Do not exceed two pages. Attach your curriculum vitae. If this is an interdisciplinary or collaborative project, attach a letter of support from your colleague, too.

By October 26, 2006, submit this form to Judy Eddy, Center for Teaching Excellence, 135 Budig Hall. If you do not receive confirmation that CTE has received your application, please contact us at 864-4199 or cte@ku.edu
